**Sub: Two day CONCRETE MIX DESIGN WORKSHOP to be held on 25th-26th
June, 2008 at Bharuch**

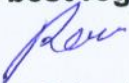

Warm Greetings,

In continuing our endeavor to share knowledge amongst the members of Construction industry, we are hereby conducting a Two-day full time workshop on CONCRETE MIX DESIGN at Bharuch.

The workshop will guide you through significance of Concrete mix design, theory part, Calculation as well as practical site demonstration. The venue for this workshop & other program details will be conveyed to you shortly.

All the interested members may please inform **Mr. Tarak Mamlatdarna (9377413049)** or to contact person mentioned below.

With best regards,

**Ravi Raisinghani
Technical officer
