Date: 27th July 2001.

BCEF/Sem/01.

Respected Dr. Manjrekar,

I hope, this finds you in the best of your health & happiness. Same is here.

I take this opportunity with immense pleasure to invite you for giving your presentation in the public seminar on the topic of "Modern Techniques of repairs of buildings" organised on 29th of July, 2001 at 10.00 Hours at Rotary youth hall in Bharuch.

The basic purpose of organising this seminar is to make an humble attempt of service to society by giving them the required knowledge about civil engineering related problems arising in day to day life & to inform this to the local public of Bharuch & Ankleshwar . The seminar has been planned to be a "free & open to all" type.

It is requested to please accept our this whole hearted invitation to preside over the said seminar & enlighten the people of our area by sharing your expertise on the subject.

Needless to mention here that the platform shall be yours during the lecture & question-answer session & we are looking forward to the meaningful & realistic presentation from your end during the seminar for fulfillment of our basic motive.

We request you to please accept the invitation & send your confirmation to the same. (Infect, this is a formal invitation on the basis of your consent for the same; well in advance.)

Looking forward to see you on 29th July 2001 for the noble occasion,

Sincerely yours,
For Bharuch Civil Engineers Forum

G. G. Nankani.
President.
